From: Virginia L. Rains, NUWC Division Keyport, Code 431, Task Order Manager

To: Kevin Esser, Predicate Logic, Program Manager

Subj: TECHNICAL INSTRUCTION LETTER, NUMBER: FY01-06-01

Ref: (a) Task Order Number N00178-05-D-4501 / FY01

Encl: (1) TI FY01-06-01

1. Pursuant to Section C, Paragraph 3.2 of the subject Task Order, the Government hereby issues Technical Instruction Letter (TIL), (Enclosure (1)), dated 1 August 2006 for work to be performed under SLIN 100001 and 300001.

2. Should the contractor feel the above direction is:

- a) not within the scope of the subject Task Order,
- b) will result in an increase in the estimated cost, or
- c) will be unable to perform the TI within the period of performance stated herein,

then the contractor shall not proceed. If any of these concerns are present, the contractor shall immediately notify the Contracting Officer, with a copy to the Task Order Manager, in writing, within ten (10) days from the date of this TIL. The written notification shall specify the reason(s) for such belief.

3. This instruction shall not be construed as a change to the Statement of Work, or other terms and conditions of the subject contract.

4. Please direct any questions or comments to Virginia Rains at rainsvl@kpt.nuwc.navy.mil or at (360) 315-2234.

I hereby certify that this Technical Instruction Letter is within the scope of the subject Task Order.
